

**20<sup>th</sup> International Meeting  
of National Mine Action Programme Directors and United Nations Advisers (NDM-UN)  
7 - 10 February 2017**

**HOTEL ACCOMMODATION**

Participants will be responsible for making their own hotel arrangements.

Please note that hotel room availability is limited in Geneva, for this reason we strongly recommend that you book your accommodation well in advance.

The GICHD has reserved a set amount of rooms in hotels selected close to the conference venue and at cheaper rate. The GICHD discounted rates are available up to the dead-lines mentioned. After these deadlines, the official hotel rates will be applied and these rooms will no longer be reserved, it will be therefore the responsibility of each participant to find an alternative accommodation.

You can consult the list of the hotels below, including the GICHD-discounted prices, contact details and most importantly the deadlines for reservations. The hotels can be located on the map.

**IMPORTANT:**

- When making your hotel reservations, do not forget to mention the reservation code or to use the reservation form, if mentioned. Beside of Hotel International+Terminus, do not book through their on-line booking system as you can not enter the code on the on-line booking forms.
- Please mention any special room requirements at the time of booking.
- All rooms have to be guaranteed by a credit card number. Please send your credit card number, validity and name mentioned on the card when booking otherwise the reservation will not be maintained. The GICHD cannot guarantee reservations for non-sponsored participants. The hotels have been informed that you are covering your own costs.
- The usual annulation policy in Geneva hotels is “48h prior to arrival no charge”, but to be on the safe side we recommend to confirm with the hotel when making your booking as different policies might apply.
- In addition to the rates mentioned below, the hotel will charge CHF 3.30 for 3\* hotels or CHF 4.00 for 4\* hotels per day for city taxes.
- Take your free transportation ticket for your first transfer to the hotel already at the airport. Look for the dispenser before passing customs with your luggage. When checking-in at the hotel, you can request a free ticket for the Geneva public transports for your entire stay.
