PRESS STATEMENT

In support to the appeal of the secretary General of the United Nation, appeal for the global ceasefire dated 23rd March 2020.

Recognize the spread of violence within Abyei box that led to the loss of many innocent lives not less importance than that mention in the global appeal,

Recoding many death cases of innocent civilians as a result of the used of arm fire as well, the enslavement of children and women as the most affected categories in the community.

Regrettably, the massacre attacked on villages such as in Kolom, Mabok, Marial Achack, Dungob, Lou, Tajalei and other areas resulted into massive death of vulnerable. We the women and children shoulder the burden of any arm conflict and pay much than any person.

In correlation to the global appeal by the united nation Secretary General, the women in Abyei call for peaceful resolution of conflict and ceased the used of arm or force valance.

We appeal to those using arms people against innocent to put down arms.

That, the global threat today is coronavirus COVID - 19 which had now claimed thousands of lives and still as a big threat to the world.

The coronavirus, COVID - 19 is the common enemy we should converge our efforts, resources and unit to fight it together, that the virus didn't differentiate races, religious ethnics and can't wait.

Thus, we the Abyei Women Association while applauding and supporting the appeal of the united nation Secretary General for Global Ceasefire, we appeal and call for those armed groups within the Abyei box to put their guns into silence.

Let us all take this opportunity to unit and inspire for development and wellbeing of our people so that we can together fight the COVID - 19 Pandemic.
